

Seniors End of Season 2023

The end of season competition was renamed The Mike Wheatley Memorial for this year.

35 seniors played on a glorious day for golf. The course was in great condition considering the time of year. The average score was in the high twenties, but all seemed to enjoy their day on the course.

The competition was won by John Johnston with Robert Ginn in second place and Edward Ford in third.

The post-match activity began with a Eulogy to Mike Wheatley, delivered by Bob Howes, this was very well received as there were many light-hearted memories of our past captain and his contributions to Christmas Dinners. A memorable Dads Army skit being one of the most memorable. This concluded with a toast to Mike's Memory.

34 seniors then sat down for an excellent dinner, where we were joined by Jerry Casper the club President. Jerry then presented the seasons trophies to the winners of the appropriate competitions.

The Captain Tony Brader then concluded his season in office by thanking Bob Howes and Norman Beaumont for all their hard work and all the senior's players for their support.

The captain for 2023/24 Ray Walsh was then introduced and placed in office.

Ray Walsh then thanked Tony for all his hard work and exemplary leadership and in particular his contribution to bringing us into the new age of I.T. Tony was presented with an engraved Tankard as a token of appreciation from all the seniors.

The day concluded with Ray Walsh introducing the seniors vice- captain Dennis Kirk.
