For Month of April in 2021

Mid-week Stablefords and Qualifying Competitions

Over the coming 2021 season, there are several extra day and mid-week Stablefords as well as qualifying competitions. These are a good opportunity to submit cards to get your WHS handicap index reviewed. This is done automatically overnight after the gross scores are input. The same input technique will also apply to 'proper' club competitions. The detailed steps are covered in the next section and are broadly similar to how things were done in 2019.

Detailed steps to update your Handicap Index

This section may get updated as the season progresses and screen shots can be included.

- Register in the pro's shop that you want to have your scores submitted. The staff will then enter your details into IG.
- Play your round marking your gross scores. You can put your Stableford points down but only your gross score matters. Under the present COVID restrictions, you should mark your own card.
- When you have completed your round, you MUST input your scores on the same day. This is required so that IG can take account of how the course was playing on that specific day.
- You can, if available, input your gross scores into the interactive screen. This may be located in the entrance to the men's locker room until the club house is open.
- Alternatively, you can input into the IG app on your phone. You can do this directly or by taking a photo of your card.
- In all cases, only your gross score needs to be input.
- Then, leave your card on the box, probably by the 18th green.

Supplementary Cards

In addition to those mentioned above, there is always the option to submit a supplementary card and use these scores to update your Handicap Index.

This only applies to supplementary cards for rounds played at Lutterworth,

The steps are similar to what was done before WHS was introduced.

- Register with the pro's shop that you wish to play and submit a supplementary card and pay the normal fee.
- Play and record the gross scores.
- After playing take a picture of the score card.
- Enter the gross scores into IG.
- Then e-mail the picture of the scorecard to scorecards@lutterworthgc.co.Uk
