

Hi to everyone and here is my final update.

We held the End of Season comp yesterday, and named it in honour of Mike Wheatley who passed away recently.

After playing Bob delivered a light hearted eulogy for Mike and we all toasted his memory. awards were then handed out for those who won them throughout the year. Handover to Ray Walsh then took place.

The Winter Schedule is on the Seniors Web Site, this has more information for you on it and can be accessed by searching "Lutterworth Seniors".

The first winter comp is on 18 Oct and every week thereafter.

The Friday roll up continues as normal as long as you follow the recent re-iteration of the rules / format from Bob.

Ray will be starting up the Winter Singles (Crystal knock out) and Winter Pairs (league) soon for you to play in.

Ray Walsh is now your Seniors Captain and best wishes to him on the journey.

I will continue to help as Fixtures Secretary, Norman as Treasure, and Bob running the web site for us.

Thank you all for the gift and lovely card presented yesterday, and see you soon as a normal player...

Tony.
